

23 September 2021

Dear 

**Re: Official Information Act**

I am responding on behalf of Taranaki District Health Board (DHB) to your OIA request of 6 September 2021 to the Ministry of Health which was partially transferred to all DHBs on 22 September 2021; specifically you were requesting:

- 1. A breakdown by DHB showing how many nurses had completed the online ICU training module for nurses by August 17, and also now (most up to date figures available).*

In relation to the Critical Care Pandemic Resource National Course, Taranaki DHB can confirm as at 17 August 2021 we had no nurses complete this course as it was not available to us at that time. As at 23 September 2021, six nurses have completed this course.

I hope this information answers your request.

Yours sincerely
