Dear 

**Re: Official Information Act**

I am responding on behalf of Taranaki District Health Board (DHB) to your OIA requests of early September 2021 which was partially transferred (Part 2) to Taranaki DHB by the Ministry of Health on 7 October 2021. You requested the following information:

*Part 2:*

*Please provide (or where the DHB's hold the figures forward to each of them) the following information as a matter of urgency - they are being used for a submission to the Select Committee on the BDMRR Bill closing 14 September.*

*Information relating to the use of blockers for young either trans related or increase in central precocious puberty. Please provide the figures divided into these 2 separate categories.*

*Please break down as to  
numbers,  
ages,  
birth sex  
ethnicity*

*for all people under the age of 20 enrolled in gender clinics - including by DHB over last 5 years.*

*Please also advise how many of the above have gone on to be prescribed cross sex hormones and/or gone on to have transition surgery or be placed on the surgery waiting list."*

Taranaki DHB is unable to fully answer the above request as this level of information is not captured electronically. However, we are able to provide some of the requested information from manual records. Please see the information requested in the Appendix.

I trust the above information answers your OIA request.

Kind regards

Gillian Campbell  
Chief Operating Officer
