Dear 

Re: Official Information Act

I am responding on behalf of Taranaki District Health Board (DHB) to your OIA request of 20 December 2021. You have requested the following information:

- *Can you please tell me what the total requests during the 12 months of 2020 were for CA-125 blood tests in your DHB region?*

For the 2020 calendar year there were 939 requests for CA-125 testing in Taranaki.

- *Can you also please include the estimated total population your DHB serves.*

Statistics NZ recorded a population of 124,600 in Taranaki as of June 2020.

I trust the above information answers your OIA request.

Kind regards

Gillian Campbell
