

8 February 2022

Dear [REDACTED]

Re: Official Information Act

I am responding on behalf of Taranaki District Health Board (TDBH) to your OIA request of 17 January 2022. You have requested a response to the following:

- *The number of miscarriages per year*
- *The number of ectopic pregnancies per year*
- *The number of molar pregnancies per year*

Taranaki DHB are unable to provide data for this query as this level of information is not captured in our electronic systems.

- *The number of live births per year (hospital only information, does not include community information)*

Year	Count of Admission No.
2019	1421
2020	1346
2021	1451
Grand Total	4218

- *Number if perinatal deaths and neonatal deaths per year*

This information is not captured by Taranaki DHB in our electronic systems, but is available under the Ministry of Health's website via the Fetal and Infant Deaths web tool. Please note the information available is only available for 2018 and prior.

- *In relation to pharmacovigilance, is the DHB recording/reporting any data relating to outcomes following vaccination for Covid-19 in pregnancy, as part of a post marketing surveillance programme?*

No.

I trust this information answers your OIA request.

Yours sincerely

Gillian Campbell
Chief Operating Officer
