

15 February 2022

Dear 

Re: Official Information Act

I am responding on behalf of Taranaki District Health Board (DHB) to your OIA request of 10 December 2021, which was transferred to Taranaki DHB on 27 January 2022 by the Ministry of Health. You have requested the following information:

I've heard there are a few patients that have been hospitalised for more than month.

- *How many patients have there been?*
- *How long have they each stayed in hospital?*
- *How many have had to go into ICU and how long have they each stayed there (as part of their total time in hospital)? And were they on a ventilator when in ICU?*
- *How many of these patients were vaccinated when they presented at hospital?*
- *If there are any other details that can be provided too (eg. age, ethnicity, sex) that would be appreciated.*

Taranaki DHB has had no patients hospitalised with COVID over a month.

I trust the above information answers your OIA request.

Kind regards

Gillian Campbell
Chief Operating Officer
