Dear 

Re: Official Information Act

I am responding on behalf of Taranaki District Health Board (DHB) to your OIA request of 24 January 2022. You have requested the following information:

- *We would be grateful for the total number of CA-125 tests performed in your DHB in the 12 month period of 2018, 2019, 2021 (we previously requested 2020).*

Additionally, if this information is easily available, it would be helpful to understand, the total number of patients receiving the test in each period also.

Please see the information in the table below:

Year	Unique Patients	Total Eclair Test
2018	624	1410
2019	581	1229
2021	786	1062

I trust the above information answers your OIA request.

Kind regards

Gillian Campbell
