Dear 

Re: Official Information Act

I am responding on behalf of Taranaki District Health Board (DHB) to your OIA request of 31 March 2022. You have requested the following information:

The number of people served by the DHB who are living with Type 1 Diabetes, and if possible a breakdown by either:

- 1. Current age (5-10 year age range) or*
- 2. Age at diagnosis (5-10 year age range)*

Please find the information requested in the Appendix.

I trust this information answers your OIA request.

Kind regards
