

11 May 2022

Dear 

Re: Official Information Act

I am responding on behalf of Taranaki District Health Board (DHB) to your OIA request of 13 April 2022, which was transferred to Taranaki DHB on 29 April 2022 from the Ministry of Health. You have requested the following information:

Can I please ask if the above treatment of Remdesivir and ventilators has been or are being used as a treatment for covid patients in hospital?

5 treatment courses of Remdesivir have been given to COVID positive patients in Taranaki Base Hospital.

1 COVID positive patient has been placed on a ventilator to date.

I trust this information answers your OIA request.

Kind regards

Katy Sheffield
Deputy Chief Operating Officer
