

South Taranaki

Alive with opportunities for better health care

South Taranaki forum update

November 2019

Taranaki DHB is committed to improving communication with South Taranaki people through the South Taranaki Community Health Forum and Taranaki Ki Te Tonga

New health services being introduced

Very exciting news with the continued health services in South Taranaki and the new health services being introduced by the DHB.

Medical appointments

Appointments are available everyday. Mountainview Medical have slots available during the day and Ngati Ruanui Healthcare walk in clinic hours have been extended from 8.30am – 4.00pm.

Taranaki DHB Rural Doctors initiative working well

Hawera Hospital has been recognised by the Ministry of Health and is leading the way with awards nationally for Rural Practitioners.
