

Help may be on its way to Coastal people needing to get to essential commitments!

New Zealand Red Cross have partnered with the Taranaki District Health Board's Public Health Unit to investigate a transport service for the Coastal Taranaki area.

If you think transport could be improved for Coastal Taranaki have your say @...

www.surveymonkey.com/s/CoastalTransport
or fill in a hard copy at your local library or Four Square

Complete the survey and go into the draw to win \$150 Opunake Business Association Vouchers!

Please attend the public meeting to discuss what the transport service could look like and what the next steps are.

This will be held Tuesday 27th November 7:30pm, Sandfords Event Centre, Opunake
