

Life is precious... So is the way we die ... Let's talk Let's plan...

Let's Talk

Hospice Awareness Forum

Thursday 15th May 7pm

La Mer Lounge, Pukekura Raceway Function Centre

Tea & coffee provided

What we know: we will die, we have an aging population, increased need for "end of life care", community input & involvement is essential.

What we don't know: Your views on "end of life care."

Talking about death doesn't bring it any closer - it's about planning for life.
As a community we need to be supporting all essential health professionals - they can't do it alone!
